IS IT  
CLAYDE'S  
CAVALRY?

IT DOESN'T SEEM LIKE IT.....

Clayde, a man with blonde hair wearing a red and white hat and a dark coat, stands next to a large, glowing yellow energy sphere. A close-up of a young boy with blonde hair, Shaq, is shown on the right, looking up at the sphere with a determined expression. A speech bubble from Shaq reads: "IT'S CLAYDE'S SECOND SON, SHAQ!"

LOOKS LIKE CLAYDE  
SEPARATED FROM HIS  
FAMILY AND THEY EACH  
WENT ON DIFFERENT  
ROUTES TO ESCAPE THE  
CITY. BUT SINCE WE MET  
SHAG HERE, THIS  
PROVES THAT WE DIDN'T  
GO THE WRONG WAY.

I HAVE AN IDEA.  
SHAG MIGHT NOT  
KNOW THAT THE  
PERSON THAT  
WANTED TO KILL  
CLAYDE WAS ME

LINLEY, ARE  
YOU GOING  
TO.....

MIGHT AS WELL  
GIVE IT A TRY!

RM REMASTERED

YOUR HIGHNESS!

WHO  
GOES  
THERE?

DON'T  
PANIC!

IT'S ME, LORD LINLEY.

LORD LINLEY, IT'S GREAT THAT YOU'RE ALRIGHT! I FINALLY GET TO MEET YOU AGAIN!

LOOKS LIKE YOU ALSO GOT ATTACKED BY THE BEASTS?

PEN LAI CITY WAS ATTACKED ALL TOO SUDDENLY. YOU DON'T BLAME MY FATHER FOR NOT SAYING YOU RIGHT?

WHY WOULD I? I UNDERSTAND THE MAJESTY'S HARDSHIP.

YOUR HIGHNESS  
HAS ALSO  
ESCAPED FEN LAI  
CITY RIGHT? WHERE  
DID YOU PLAN TO  
MEET UP?

ALL FOR THE  
SAKE OF  
REVENGE,  
LINLEY IS  
TAKING SUCH  
A HUGE RISK!

SIGH.....TO TELL  
YOU THE TRUTH

THE TWO CITIES THAT HE AND  
FATHER WERE SUPPOSE TO  
MEET UP AT HAVE BEEN DESTROYED BY  
THE BEASTS AS WELL.

WHEN WE ARRIVED,  
WE WERE WATCHING  
THE BEASTS  
DESTROY THE CITY  
AND WE WERE TOO  
AFRAID TO GET  
CLOSE.

WE ONLY COULD  
KEEP GOING NORTH  
UNTIL WE FOUND A  
SAFER CITY. UNTIL  
THEN WE'LL GET IN  
CONTACT WITH  
FATHER.

THERE WAS NO  
OTHER WAY, THE  
ATTACKS FROM THE  
BEASTS HAVE NEVER  
BEEN SO EXTREME  
BEFORE.....

AH!

RM  
REACTIVITY

SO CLAYDE AND SHAG  
HAVEN'T MADE UP THEIR  
MINDS ON WHERE TO MEET  
UP AND INSTEAD HAD  
DECIDED TO HEAD NORTH.

THERE ARE TOO  
MANY OPTIONS TO  
CHOOSE FROM,  
THEN IT COULD  
BE ANY CITY!

YEAH!

LORD LINLEY, YOU DON'T  
HAVE TO WORRY! AS  
LONG AS WE HEAD  
TOWARDS THE NORTH  
AND GET TO SAFETY  
FATHER WILL APPEAR.

LORD LINLEY, HOW  
ABOUT YOU COME WITH  
US. IT'LL BE BETTER  
WITH MORE PEOPLE  
ACCOMPANYING US.

HOW ARE THE  
BEASTS.....

THERE'S A GROUP  
OF SOLDIERS  
FIGHTING AGAINST  
THEIR ADVANCE,  
WE SHOULD.....

EVERYBODY TAKE  
CARE, WE'LL GO  
AROUND THEM!

WHAT ARE YOU  
DAYDREAMING FOR?  
LET'S GO!

YES SIR!

.....

SHAG HAS NO SYMPATHY.  
HE'S CONTENT WITH  
SACRIFICING HIS OWN MEN

Unley, are you wanting to put the entire Adolescence into the heavy sword? Adding the other ones, this heavy sword is going to be about three thousand pounds!

There's no problem, Mister Vincent. You can just care about forging.

Hehe! The strongest thing about Dragonsblood warriors are their bodies, having such strong power, three thousand pounds isn't a problem.

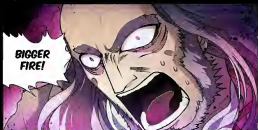

The ones for refining will be prepared by the Dawson Conglomerate, so you don't have to worry.

Alright, I'll start tomorrow morning!

**GIVE ME MOUNTAIN  
SPRING WATER!**

**HAHAHA! IT'S  
FINISHED!**

The sword weighs three thousand pounds. Vincent can barely hold it up using the strength of a Violet Flame warrior!

This is the most perfect place I've done in my life!

**哈哈哈哈哈！**  
**HAHAHA!**

**哈哈哈哈哈！**  
**HAHAHA!**

After being hit by the blue lighting, the formerly pitchblack sword now had a faint blue glow on its surface, as though a layer of frost had formed atop it.

Good sword!

Length one meter four  
weigh three thousand  
six hundred pounds

It's a perfect  
weapon!

Urley, this is  
heaven's will,  
for you to use  
this sword.

Vincent, other than the Adamantine used as material, is there anything else special about it?

The hardest part of forging an adamantine weapon is bringing out the full potential of the adamantine, since the alloyed metals are all significantly inferior to adamantine.

Although the secret method of my clan allows me to alloy a high percentage of the other metals with the adamantine.

Even if I say that, it's not easy to forge it all together!

But I didn't expect that right after I finished quenching the sword, I would get struck by that bolt of lightning, which caused all of the remaining internal irregularities in the sword to be fused perfectly.

And not just that. Look. There's a faint blue glow on the surface of this heavy sword. I've treated the surface of it, and it is unbelievably slick and smooth. Most likely in the future, when you tell someone using it, no blood will stick to it.

VINCENT, THANK YOU FOR FORGING  
THIS SWORD FOR ME!  
维森特,谢谢你帮我锻造这把剑!

Why do you say that?

Well, think about it! When you were caught by the Redtent Church, you could summon the Bloodviolet anywhere. Bloodviolet only knows its master by blood. The ring in your hand also knows it's owner by blood. Doesn't that mean Claude already knew your location?

**空间戒指**

Interportal ring

Ha! Of course not.

Even though Bloodviolet and Interportal ring are things that know its owner by blood, but Bloodviolet is a gold sword. The ring isn't, so Claude can't know my location through the ring.

It was impossible for  
a divine artifact to be  
forged within this  
material plane, in the  
Yulun continent.

Then what about  
this ring?

**那时教廷想控制我的思想……**

*Back then when the church wanted to control  
my thoughts....*

When I was on top of the  
church tower, it saved  
my life once. What  
power does it have that I  
don't know?

月夜上  
That night

Father, here's  
your tea.

En.

His arm was  
injured by me  
back at Fin Lad  
City. How did he  
recover so  
fast?!

Not even a scar was left!  
Such strong healing  
power, only a light style  
Arch Mage of the ninth  
rank can do that.

Father, how did you meet  
the people from Redland  
Olive? The people you  
thought lost their strength  
to early dragons.

Hmph, the Apostles led by Lord Fallen Leaf have many combatants of the rank not amongst them. Travelling by their side, we were quite safe the entire time.

It was the Apostles!

So it's the people from Fallen Leaf?

Now that manner has this many strong people, annihilating Clayde is going to be difficult....

Don't worry, Pater leaf  
won't stay in Haze City for  
too long. Clayde is Fen Lai  
Kingdom's King, now that  
Fen Lai Kingdom is gone.

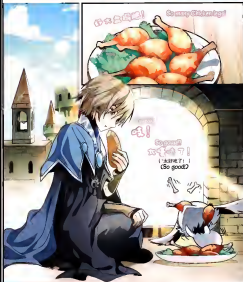

Clayde's value to the  
Radiant Church has been  
lost. Also the Radiant  
Church will choose a new  
capital, and it probably  
won't be Haze City.

So even though  
we can't do much  
about Clayde  
right now, we can  
relax and have  
fun for now!

He wanted that,  
other people might  
know who I am. I  
should go buy some  
food for later.

CHAPTER 4

Heart City Morning

Clayde is sending them out.....

Fallen leaf is leaving Hesse City?

Having them under helping us, we won't have to fear these people

Ah, Richard I almost forgot to tell you.....

Few days ago, Lord Linley followed us to Hesse City, but he didn't stay too long until he left, he said he left to the north.

**LINLEY?!**

Why didn't you  
say so earlier?!

What a stupid  
parent!

志念下

During that  
beast attack, he  
didn't die?!

Linky was with  
you? That means  
he knows your  
Hess City  
address?!

..... I think  
so.

This  
Linky?

He definitely hasn't  
left Hess City!

Guard!  
Immediately  
search the  
entire Hess  
city!

Find Linky for me!

几天里，克劳德的卫兵都在寻找线索！

In the next few days, Claude's guards searched for clues.

But wasn't able to find anything....

但是什么也找不到.....

It's time to take action, Rebel!

Squash!

Panlong Chapter 105  
Title: The Truth from that year

105  
CROUCHING DRAGON 105

THIS WAS THE PURE SOUL  
THAT THE RADIANT CHURCH  
NEEDED!

SO I ORDERED  
PATTERSON  
TO CAPTURE  
HER.

AND WAS TAKEN TO THE  
RADIANT CHURCH...

SHE WAS KILLED, AND THE SOUL WAS OFFERED TO THE RADIANT SOVEREIGN.....

AND THIS WAS THE REASON WHY THE RADIANT CHURCH DECIDED TO REWARD ME WITH A DIVINE BLESSING LIKE NONE THEY HAD EVER GIVEN BEFORE. THE BLESSING RAISED ME DIRECTLY FROM A WARRIOR OF THE SEVENTH RANK TO THE NINTH RANK.

ALSO THE RADIANT CHURCH GIFTED ME WITH A SAINTLEVEL FATEGUARD!

Is what you said  
was true?

Little Uley, Clayde  
doesn't even like  
he's lying.

Hal Now you know who's your  
real enemy! But with your  
power, do you think you can  
fight against the Radiant  
Church? Think about it!

Uley, this  
about it.....

If it wasn't because of this reason, why did the Radiant Church's attitude change so much after you tried to assassinate me?

原来是这样.....  
THAT'S WHY.....

Lirley, please let my father go! He already told you everything!

Let Clayde go?  
Ha.....If I let him go,  
why didn't he let my mother go that year?!

Mother! Today, I've finally  
killed Clayde. Even if I  
haven't fully avenged  
you...
